DESIGN

All Sealine models are born of the same values: They feature wide interior spaces, an amazing quantity of natural light and outstanding design with German engineering inside. As for these trademarks, the C530 displays the true spirit of Sealine.

THE C530. THE SPORTY CABRIOLET FOR THE SEA.

TWO ROOFS FOR SUNNY FEELINGS.

Open the two electric roofs and let the sunshine accompany your summer holiday! No other 50-footer gives you that feel of driving a cabriolet.

OPEN AIR COCKPIT GRILL

Stay among your family and friends while cooking. With the smartly placed outdoor grill, fresh barbecue food can be served directly from the bathing platform.

VERSATILE SEATING AREAS

Cockpit and bow area can be either prepared for seating or sunbathing. Enjoy two sundecks, two dining places or a mix of both possibilities.

UNIQUE DINETTE ON THE BOW

On the foredeck there is a separate dinette for entertaining and alfresco dining – featured by U-shaped seating and atmospheric pop-up lights.

SLIDING DOORS ON EACH SIDE

When opened, the side doors intensify the airy atmosphere in the saloon. Moreover, they provide quick and easy access to the bow area.

UNLIMITED PANORAMIC VIEW

Stunning seascapes wherever you look! The panoramic windows of 5.8 meters length are beyond compare in this class. The amount of light inside is unique, too.

DESIGNED FOR THE 7 SEAS. DEDICATED TO THE 6 SENSES.

Smell the scent of the sea. Breathe the refreshing air. Let the sun caress your skin. Enjoy the wind waving around you. This fabulous cruiser brings you closer to the elements of nature than you ever were before. Whether you feel: like chilling out or having your whole family around – the thrill of this yacht is not only to explore wonderful places. It is to explore the world of powerful emotions.

TREND-SETTING DESIGN

At first sight, the C530 stands out with her floor-to-ceiling glass design. Her impressive panoramic windows span 5.8 meters in length. Let your family and friends see every bit of the beauty beyond! Priceless horizon views are guaranteed from wherever they may sit or stand. Due to the undivided windshield, even the look ahead provides a spectacular picture of the seascape.

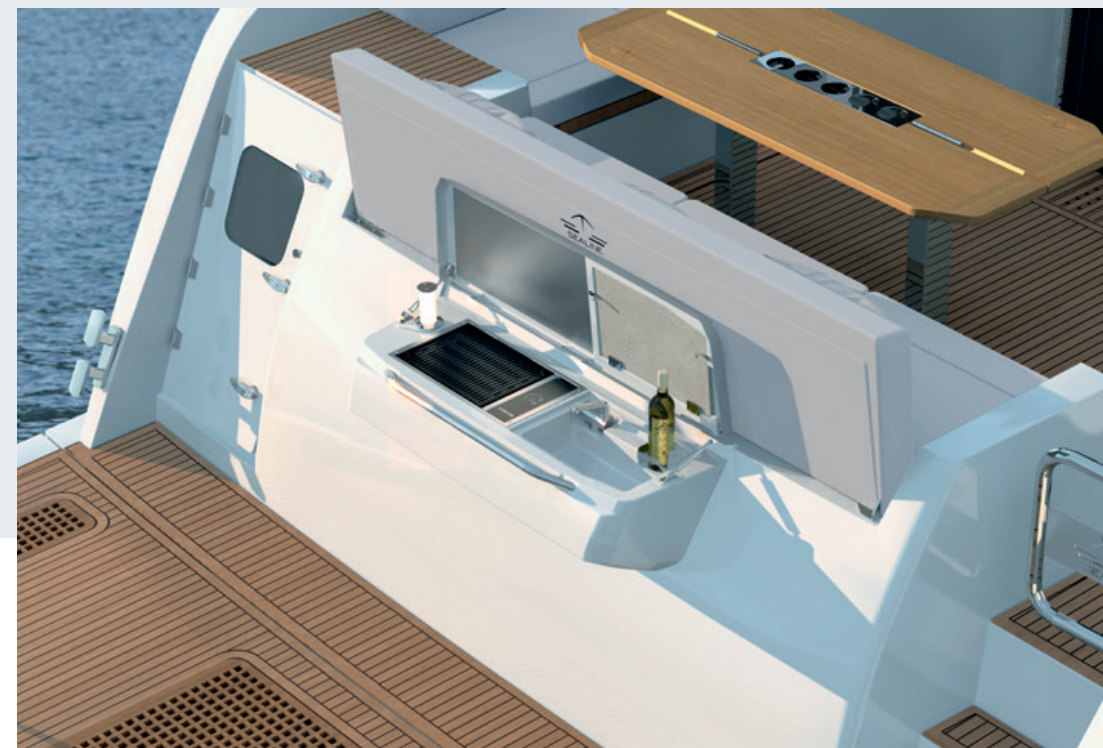

INVITE THE SUN TO YOUR FAMILY VACATION.

Thanks to her outstanding two-sunroof design, the C530 always merges with the sky. Opening the roofs is an energising experience. You soak up the power of the sun, you feel the air streaming through. With the roofs shut, daylight continues to brighten up the living onboard. Time to appreciate every single sunbeam!

EXTERIOR DESIGN

WELCOME TO YOUR PRIVATE SUMMER ISLAND!

Open the rear door. Fold down the cockpit seat. Let the sweet life begin! The C530 easily turns into a splendid summer terrace. Having wetbar, bathing platform and outdoor barbecue around, you can fully abandon yourself to the taste of freedom.

So sip on a sparkling longdrink. Have some freshly grilled delights. Cool off in the ocean. At this ingeniously designed cockpit, summer life is bustling in all its colours.

LOVE AT FIRST LIGHT.

What an experience it is to see the distinction between inside and outside disappear! The loft atmosphere makes you completely forget you are staying in a saloon. In addition, the versatile seating arrangements are designed to increase the excitement even more. The U-shaped sofa can be transformed into a double-facing sofa, so all the guests on board can savour the panoramic view.

The U-shaped galley is located between the saloon and the cockpit to comfortably serve both areas. It features a big fridge and freezer, electric cooking top and a microwave with grill function. For more individual fittings, you will find plenty of additional space. As a premiere, the C530 offers an elegant free-standing wine cooler. Is there a nicer pleasure than picking from a variety of well-chilled bottles?

Outstanding design and a generous interior layout await you in your private master cabin. The 160 cm wide and 200 cm long king size bed truly reflects the grandeur of this motor yacht and leaves no wish unfulfilled. The two elongated hull windows at sea level not only shape the magnificent exterior of the boat but also lighten up the master cabins interior with ample of natural light. Both sides of the cabin feature a broad chaise longue with the option of having a vanity area with a table on the port side.

As you would expect from Sealine, comfort and liveability can be found throughout the entire lower deck. The VIP Cabin at the bow impresses with an outstanding amount of light, thanks to big hull windows and a skylight above. The headroom surpasses everyone's expectations. There is a third double cabin to the portside. It also features a hull window skylight. Instead of two single berths, it can be equipped with a queensize bed.
